

# BGW Henna Design

Henna design has been used for centuries to celebrate milestones in women's lives. When women have the privilege to have henna applied to their hands, feet, back, shoulders, or belly - they are forced to be served, to be ministered to, in a way that doesn't come naturally or often in our culture here in our country.

The henna powder is organic and safe for mothers, as well as the babies in the womb. The stain will be applied, dried and then remain on the skin for approximately 2-3 weeks depending on the area that it is applied.

Mehndi (decoration of the body) is for the giver as well as the receiver. It allows women to give and serve other women in maidenhood, maternity or menopause. All milestones, all life-changing, all blessings to us, God's way.

If you would like to learn more about our services for Henna, please contact us at [bgwhcbc@gmail.com](mailto:bgwhcbc@gmail.com). If you come to the cottage to have design done the prices are listed as:

Small designs:     \$15.00  
Large designs:     \$30.00  
Pregnant Belly:    \$50.00

Henna can be done during a BGW Celebration of Pregnancy (blessingway), as part of the pampering to the mother. Or you can incorporate it in your baby showers. The guests can receive small designs as well as the expecting mother.

We have to know, and schedule at least 3 wks in advance with deposit made - to prepare the henna powder and make sure we are available.
